been broken he could not do so. But the guilt on the part of the thief is the same in either case; he snatches the earnings not caring whether he hurts the wearer or not. To make a vast difference in the punishment dependent on the accidental circumstances of whether the car is torn or not, this depending entirely on extraneous circumstances and not on the will of the thief, seems absurd. The crime of snatching earnings from women and bangles from children is very common, and sentences of imprisonment seem to have little effect in diminishing it. Flogging, we think, would probably reduce it to a minimum. The punishment is now too severe for the crime, for that women and children cannot safely move about the streets of the city even in broad daylight is disgraceful. Whether the Bill has been prepared with the approval of the Secretary of State we are not aware. If so we can only express our gratification that so much common sense is still to be found in Downing-street.

## THE HONGKONG SANITARY BOARD.

The following minutes of the proceedings of the Sanitary Board at a meeting held on Friday, the 13th February, are published in the Gazette:

—Present.—The Honourable the Surveyor General (Chairman), the Acting Registrar General Major T. C. Dempster, the Honourable A. P. MacLean, Dr. P. Mason, LL.D., N. J. Ede Esquire, Hugh McAllister, Esquire, (Secretary of the Northamptonshire Regiment) very courteously allowed their Band to perform on Saturday evening. Both physical selections and added considerably to the enjoyment of all those present.

Following are the full scores:

In the Club's second innings Bruce-Roberson, who had won first, reached 19, and E. J. Coxon played a hard hit 20, but the best innings was undoubtedly that played by Hawkins for 26 not out. It is a pity that this batsman does not appear more frequently on the field. The only other to reach double figures was Lamont, while Mr. H. The last wicket fell for a total of 101. Graham was again on the spot, getting 8 wickets for 51 runs.

With 112 runs to make and only one hour to do it in, the Services naturally went in with the intention of hitting at everything; the result was several good wickets were lost, whereas had punctuality been observed on the first day there would have been more time and said match might have turned out differently. The latter being a not out. The match was therefore limited to the first innings.

Wilson secured 4 wickets for 20 and our veteran Darby in his first over, after the two all the rest of the day, secured two wickets in two consecutive overs.

By kind permission of H.E. Admiral Hamilton, the Band of H.M.S. *Audacious* played on the ground on Friday, and Colman Anderson and the officers of the Northamptonshire Regiment very courteously allowed their Band to perform on Saturday evening. Both physical selections and added considerably to the enjoyment of all those present.
